

Living And Non-Living Things

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (b) 2. (c) 3. (c)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. Cow, dog, hen, cat, crow, butterfly and many other birds and animals, plants and trees and also human beings are that of living things which we can see around us.
2. Blackboard, chair, table, pencil, books, duster are of six non-living things which we see in our classroom.
3. If living things did not get food they could not grow and live.

B. Fill in the blanks :

- Ans. 1. Non-living things can be both **natural** or **man-made**.
2. Non-living things do not eat **food**.
3. Things which have life are called **living things**.
4. Living things need **air** to breathe.

C. Write true or false :

- Ans. 1. Things can be both living and non-living. **T**
2. Non-living things can grow. **F**
3. All things have life in them. **F**
4. Plants, animals and human beings are living things. **T**

D. Match the following correctly :

- | Ans. | Column '1' | Column '2' |
|------|----------------------|--|
| | 1. Non-living things | (i) Rocks, rivers & sky |
| | 2. Living things | (ii) Human beings & animals |
| | 3. I can not move | (iii) Houses, road & earth |
| | 4. I grow | (iv) Plants, baby and tiger |

Section II : Summative Assessment (Based on CCE)

E. Answer the following questions :

- Ans. 1. Things which have life are called living things. Plants, animals and human beings are living things.
Things which do not have life are called non-living things. Car, chair, pen, copy, clothes, pencil, table etc. are non-living things.

2. The three features of non-living things are as follows :
 - (i) Non-living things do not need air to breathe.
 - (ii) They do not need food to grow.
 - (iii) They do not reproduce their own kind.
3. The three features of living things are as follows :
 - (i) Living things breathe. They need air to breathe.
 - (ii) All living things need food to grow and live.
 - (iii) They reproduce their own kind.

2

Unit – II Plants’ Life

Plants on Earth

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (c) 2. (b) 3. (a)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. There are only one seed in a peach.
2. Rose is that flower which I like the most.

B. Tick (✓) the correct word :

- Ans. 1. **Seeds**/buds convert into plants.
2. Shrubs/**Trees** are thick and tall.
3. Mango/**Papaya** have many seeds.
4. Hilly plants grow only on **hills**/deserts.

C. Unscramble the following :

- Ans. 1. CREEPER 2. CLIMBER
3. AQUATIC 4. GERMINATION

Section II : Summative Assessment (Based on CCE)

D. Write true or false :

- Ans. 1. An apple has only one seed inside it. **F**
2. Plants do not need food. **F**
3. Hibiscus is a shrub. **T**
4. All plants grow from seeds. **F**

E. Name the following :

- Ans. 1. Papaya 2. Peepal
3. Mustard 4. Grapevine

F. Answer the following questions :

- Ans.**
1. A plant is made up of many parts. Most of the plants have two main parts :
 1. The root-system includes roots.
 2. The shoot-system, includes stem, branches, leaves, flower, fruit etc.
 2. **Herbs** : Some plants are very small with soft, thin and green stem. These types of plants are called herbs. Eg. : Maize, mustard, wheat etc.
Shrubs : Some plants are bigger than herbs. They have thick stems and deep roots. These types of plants are called shrubs. They have many branches close to the ground. Eg. : Rose, cotton etc.
 3. Air, water and proper sunlight are necessary for the germination of a seed.

Activity

Find the names of seven parts of a plant. One has been done for you.

Ans.

Importance of Plants

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

- Ans.** 1. (a) 2. (b) 3. (c)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans.**
1. Mustard plant.
 2. Chillies and coriander.

B. Fill in the blanks :

- Ans.**
1. Some plants like **cotton** give us clothes.
 2. Some plants like **teak** give us fuel.
 3. **Plants** are very useful for us.
 4. Fruits are very good for our **health**.

C. Tick (✓) the correct word :

- Ans.**
1. We get [✓]**oxygen**/nitrogen from plants.
 2. [✓]**Wood**/plant is also used as fuel.

Section II : Summative Assessment (Based on CCE)

D. Match the following :

- Ans. 1. Wheat (i) Cereal
2. Tomato (ii) Vegetable
3. Ginger (iii) Stomach disorders
4. Walnut (iv) Nut

E. Write true or false :

- Ans. 1. Tulsi is not a medicinal plant. F
2. Plants provide us many types of cereals. T
3. Plants purify the air we breathe. T
4. Plants do not provide us shelter. F

F. Answer the following questions :

- Ans. 1. We should not cut plants and trees for our luxurious use because plants are our helpers and friends. They make the earth look beautiful. They provide us fresh air to breathe. They also provide us many useful things. Life cannot possible without plants and trees. So, we should try to grow more and more plants around us.
2. The three uses of medicinal plants are as follows :
- (i) For curing us from many harmful diseases, we get various medicines from plants.
 - (ii) Tulsi and ginger are used when we are ill or suffering from cough and cold.
 - (iii) Pudina and Heeng are taken to cure stomach ache and disorders.
3. The name of five fruits and five vegetables are as :
- | Fruits | Vegetables |
|--------------|-------------|
| (i) Apple | (i) Brinjal |
| (ii) Mango | (ii) Carrot |
| (iii) Papaya | (iii) Onion |
| (iv) Banana | (iv) Potato |
| (v) Orange | (v) Tomato |

Formative Assessment-1

A. Multiple Choice Questions (MCQs) (Based on CCE)

- Ans. 1. (c) 2. (c).

B. Oral Questions :

- Ans. 1. Plants and trees, human beings, cow, dog, cat, hens, crow, butterfly and many other birds and animals.
2. We eat food grain of the wheat plant.
3. Blackboard, copy, book, chair, pencil and table.
4. There are only one seed in a peach.

C. Fill in the blanks :

- Ans.** 1. Non-living things can be both **natural** or **man-made**.
2. Tall and thick plants are called **trees**.
3. Living things need **air** to breath.

D. Tick (✓) the correct word :

- Ans.** 1. Hilly plants grow only on **hills**/desert.
2. Green plants are known as consumers/**producers**.
3. Plants make the **earth**/room look beautiful.
4. Soil/**Plants** consume a very harmful gas, carbon-dioxide.

E. Unscramble the following :

- Ans.** 1. HEALTHY 2. SUNLIGHT 3. VEGETABLE.

Unit – III Animals' Life

World of Animals

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

- Ans.** 1. (c) 2. (c) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans.** 1. Because they have poorly developed wings, or their wings not developed well.
2. Because camel survive for a long time without drinking the water.

B. Tick (✓) the correct word :

- Ans.** 1. Fish swim with the help of wings/**fins**.
2. Cows give us **milk**/wool.
3. Amphibians are animals that live both on land and in air/**water**.
4. Insects have **six**/four legs.
5. Birds can fly with the half of **fins**/**wings**.

C. Unscramble the following :

- Ans.** 1. KENOYM MONKEY
2. DELICROOC CROCODILE
3. OFUFABL BUFFALO
4. EPHELATN ELEPHANT
5. GNOEIP PIGEON

Section II : Summative Assessment (Based on CCE)

D. Write true or false :

- Ans. 1. Some of the insects have feelers on their head.
2. Monkeys can be seen jumping on the trees.
3. Buffalo gives us wool.
4. Fish swim in water with the help of their wings.
5. Birds can be seen resting on the trees.

T
T
F
F
T

E. Match the following :

Ans.

Bird
Aquatic animal
Amphibian
Wild animal
Pet animal.

F. Answer the following questions :

- Ans. 1. Some animals can live both on land and in water. They are called amphibians. Frog and turtle are of two amphibians.
2. The function of wings is to help the birds to fly.
3. The name of five wild animals are as follows :
(i) Lion (ii) Tiger
(iii) Elephant (iv) Deer
(v) Bear
4. Some animals live only in water like, ponds, rivers, seas etc. They are called aquatic animals. Whale, fish, seahorse are of three aquatic animals.

5

Unit – IV Our Body

Our Body

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

- Ans. 1. (b) 2. (a) 3. (c)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. Legs are used by us to walk.
2. Tongue is used by us to taste.
3. We have two eyes.

B. Fill in the blanks :

- Ans. 1. **Eyes** help us to see. 2. **Tongue** helps us to taste.
3. We have **two** ears. 4. We have **five** sense.

C. Fill in the names of sense organs :

Ans.

Section II : Summative Assessment (Based on CCE)

D. Match the columns :

- | Ans. | Column '1' | Column '2' |
|------|------------|-------------|
| | 1. Ears | (i) Hear |
| | 2. Eyes | (ii) See |
| | 3. Nose | (iii) Smell |
| | 4. Skin | (iv) Touch |
| | 5. Tongue | (v) Taste |

E. Write true and false :

- | | |
|--|---|
| Ans. 1. We taste food with our tongue. | T |
| 2. Our eyes and ears are our sense organs. | T |
| 3. We have six senses. | F |
| 4. Our body work like a computer. | F |
| 5. We have only three sense organs. | F |

F. Answer the following questions :

- Ans. 1. We have five senses—sight, hearing, smell, taste and touch. The organs related to these senses are called sense organs.
2. Legs are used to run, jump and walk.
3. We have five sense organs. These are—eyes, ears, nose, tongue and skin. Sense organs are so important for us because these organs help us to experience the world around us.

6

Food For Health

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (a) 2. (c) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. To stay healthy we should eat food in right quantities.
 2. Plants provide us vegetables and fruits.
 3. We get milk from animals.

B. Tick (✓) the correct word :

- Ans. 1. Food/Clothes keeps us alive and healthy.
 2. Milk gives us carbohydrates/calcium.
 3. We need to sleep for at least two/eight hours daily.
 4. Milk keeps our bones and teeth strong/weak.

Section II : Summative Assessment

C. Write true or false :

- Ans. 1. Junk food is a healthy food.
 2. We need food to grow.
 3. Milk is not a complete food.
 4. Rest is not very important for us.

F
T
F
F

D. Match the following :

Ans. Column '1'

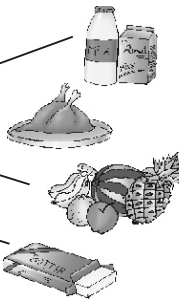

1. Plants

2. Butter

3. Calcium

4. Animals

Column '2'

E. Answer the following questions :

- Ans. 1. Healthy food is an essential thing for good living. Healthy food refer to fresh and clean food. It includes green vegetables, fruits, egg, milk, meat, cereals, pulses etc.

2. We need food to grow and stay alive. It gives us energy to work and makes us strong.
3. Milk is known as complete food. We get calcium from milk. It also contains all essential nutrients in it.

Formative Assessment-2

A. Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (c) 2. (c).

B. Oral Questions :

- Ans.**
1. We have two eyes.
 2. We don't touch our eyes with dirty hands. Keep far away our eyes from the harmful objects. Regularly visit to the doctor.
 3. Milk is known as complete food. We get calcium from milk. It also contains all necessary nutrients.
 4. To stay healthy, we should eat food in right quantities.

C. Fill in the blanks :

- Ans.**
- | | |
|--------------------------------|--------------------------------------|
| 1. Eyes help us to see. | 2. Tongue help us to taste. |
| 3. We have two ears. | 4. We have five sense organs. |

D. Tick (✓) the correct word :

- Ans.**
1. Food/clothes keeps us alive and healthy.
 2. We have five/six sense organs.
 3. We use our skin/tongue to taste food we like.
 4. Rice/Milk is known as complete food.

E. Unscramble the following :

- Ans.**
- | | |
|-----------|-----------|
| 1. FAMILY | 2. STRONG |
| 3. REST | 4. ADULT |

Summative Assessment-1

A. Match the following :

- | | |
|---|---|
| <p>Ans.</p> <ol style="list-style-type: none"> 1. Tomato 2. Non-living things 3. Calcium 4. Skin 5. Wheat | <ol style="list-style-type: none"> (i) vegetable (ii) car, rock, copy (iii) milk (iv) sense organ (v) cereal |
|---|---|

B. Write true and false :

- Ans.**
1. Tulsi is not a medicinal plant.
 2. There is a variety of things around us.

**F
T**

- | | |
|-----------------------------------|---|
| 3. Hibiscus is a shrub. | T |
| 4. We get milk from animals. | T |
| 5. Our body work like a computer. | F |

C. Answer the following questions :

- Ans.** 1. **Herbs** : Some plants are very small with soft, thin and green stem. These types of plants are called herbs. Eg. : Maize, Mustard, wheat etc.
Shrubs : Some plants are bigger than herbs. They have thick stems and deep roots. These types of plants are called shrubs. They have many branches close to the ground. Eg. : Rose, Cotton etc.
2. We have five senses—sight, hearing, smell, taste and touch. The organs related to there senses are called sense organs.
3. The three uses of medicinal plants are as follows :
- (i) For curing us from many harmful diseases, we get various medicines from plants.
 - (ii) Tulsi and ginger are used when we ill or suffering from cough and cold.
 - (iii) Pudina and Heeng are taken to cure stomach ache and disorders.

Unit – V Live Safely

Safety Rules

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

- Ans.** 1. (a) 2. (c) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans.** 1. We should not play on the road because it may be harmful for us.
 2. We should not play with sharp objects and fire.
 3. Because Zebra crossing is painted with black and white strips. These markings look like the strips of a zebra.

B. Fill in the blanks :

- Ans.** 1. Always walk on the **footpath**.
 2. Cross the road at **Zebra crossing**.
 3. Do not **run** on the stairs.
 4. **Safety rules** are of great importance for us.
 5. **Never** run while crossing the road.

C. Unscramble the following :

- | | |
|-----------------------|---------------|
| Ans. 1. SAFETY | 2. ELECTRIC |
| 3. WINDOW | 4. PLAYGROUND |
| 5. CLASSROOM. | |

Section II : Summative Assessment (Based on CCE)

D. Write true or false :

- Ans.** 1. The traffic lights help us to cross the road. **T**
2. It is good to throw things out of a moving bus. **F**
3. We should always play in a safe place. **T**
4. One should walk in the middle of the road. **F**
5. We should never run while crossing the road. **T**

E. Match the following :

- | Ans. | Column '1' | Column '2' |
|-------------|----------------------|---------------------------------|
| | 1. Do not run | (i) On the road |
| | 2. Cross the road | (ii) At zebra crossing |
| | 3. Do not swim | (iii) If you have a cold |
| | 4. You may fall down | (iv) And hurt severely |
| | 5. Watch | (v) The traffic light |

F. Answer the following questions :

- Ans.** 1. To avoid accidents and be safe, we should always play in a safe place. Never play here and there or on the road.
2. Roads are painted at some places with black and white strips. They are called the Zebra crossing. They are made on the road to cross the road safely.

5. Some roads have a footpath. It is a narrow path at the side of the road. Always walk on the footpath. It is the safest place to walk. It is used for walking therefore is called footpath.

Houses and Clothing

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

- Ans.** 1. (c) 2. (a) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans.** 1. We live in a house.

2. A hut or kuchcha house is made of mud and straw.
3. Some houses are made of ice. They are called igloos.

B. Fill in the blanks :

- Ans.**
1. A **good** house has many rooms.
 2. A place where we live is called a **house**.
 3. We sleep and take **rest** in our house.
 4. House is a place of **comfort** for us.

C. Unscramble the following :

- Ans.**
- | | |
|-----------|----------|
| 1. HUMAN | 2. IGLOO |
| 3. FAMILY | 4. MASON |

Section II : Summative Assessment (Based on CCE)

D. Write true or false :

- Ans.**
- | | |
|--|----------|
| 1. We need clothes to cover our body. | T |
| 2. We should not keep our surrounding clean. | F |
| 3. We wear a raincoat when it rains. | T |
| 4. Clothes make us look smart. | T |

E. Match the following :

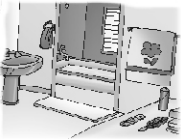

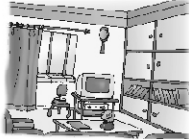

- | | | |
|-------------|-------------------|-------------------------------------|
| Ans. | Column '1' | Column '2' |
| | 1. Kachcha house | (i) is not very strong |
| | 2. Our house | (ii) protects us from cold and snow |
| | 3. Pucca house | (iii) has many doors and windows |
| | 4. A good house | (iv) has many rooms |

F. Answer the following questions :

- Ans.**
1. Our house gives us shelter and comfort. It also protect us from heat, cold, rain and storms. It keeps us safe from many things as thieves and animals.
 2. We wear clothes to cover our body. They protect us from heat, cold, rain and also injury. Clothes keep our body safe and clean.
 3. Many people wear special clothes according to their work and job. These special clothes are called uniform. An uniform is a same type of dress.

Activity

Name the following items. In which room you can find each of them?

- Ans.**
- | | | | |
|--|--|--|--|
| 1.  | 2.  | 3.  | 4.  |
|--|--|--|--|

KITCHEN

BATHROOM

DRAWINGROOM

BEDROOM

A. Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (c) 2. (c).

B. Oral Question :

- Ans. 1. The biggest animal on land is elephant and in water is blue whale.
2. A hut or kuchcha house is made of mud and straw.
3. Because zebra crossing is painted with black and white strips. These markings look like the strips of a zebra.

C. Fill in the blanks :

- Ans. 1. Always walk on the **footpath**.
2. Cross the road at **zebra crossing**.
3. A good house has many **doors** and **windows**.
4. **Safety rules** are of great importance for us.
5. Birds fly with the help of **wings**.

D. Tick (✓) the correct answer :

- Ans. 1. Fish swim with the help of wings/fins. ✓
2. Cows give us milk/wool. ✓
3. Amphibians are animals that live both on land and in air/water. ✓
4. Insects have six/four legs. ✓
5. Birds can fly with the help of fins/wings. ✓

E. Unscramble the following :

- Ans. 1. FAMILY 2. MASON
3. WINDOW 4. CLASSROOM.

Unit – VII The Universe

Our Earth

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (c) 2. (b) 3. (a)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. Snow on the mountains melts and forms the river.
2. The flat land between two hills is called a valley.
3. In some places, the land rises very high. These are called mountains.

B. Fill in the blanks :

- Ans.**
1. Spoiling the earth means spoiling our own **life**.
 2. Our earth is a wonderful **planet**.
 3. Land between two hills is called a **valley**.
 4. The earth is surrounded by **air**.
 5. The earth has two parts land and **water**.

C. Unscramble the following :

- Ans.**
- | | |
|-------------|------------|
| 1. DESERT | 2. SOURCE |
| 3. HUMAN | 4. SCOOTER |
| 5. PRESENT. | |

Section II : Summative Assessment (Based on CCE)

D. Match the following :

- | Ans. | Column '1' | Column '2' |
|-------------|---------------------------|--------------------------------------|
| | 1. About 71% of the earth | (i) is covered with water |
| | 2. We make | (ii) houses on the land |
| | 3. Flat lands | (iii) are called plains |
| | 4. The moon | (iv) rotates around the earth |
| | 5. Rivers blow down from | (v) the mountains to the sea |

E. Write true or false :

- | | | |
|-------------|---|----------|
| Ans. | 1. The earth is home to all living things. | T |
| | 2. Globe is a model of the earth. | T |
| | 3. The land between two hills is called desert. | F |
| | 4. The moon moves around our earth. | T |
| | 5. The earth rotates on its own axis in 42 hours. | F |

F. Answer the following questions :

- Ans.**
1. The water we get comes from various sources. These sources are rivers, rain, springs, wells, ponds, lakes etc.
 2. Some places of land are covered with sand. These places are called deserts.
 3. When it rains, water flows into a lake. This water is lifted into a large tank. It flows from the tank into taps through pipes.
 4. The process by which earth rotates on its own axis is called rotation. The earth takes 24 hours to complete one rotation.
 5. The earth revolves around the sun also. This process is called revolution. The earth completes one revolution in 365/366 days. We call this period one year.

Activity

Do it yourself

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (a) 2. (c) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans. 1. We should not look at the sun directly because it may be harmful for our eyes.
 2. During the day moon and stars are hide in the light of the sun. So we cannot see it.

B. Fill in the blanks :

- Ans. 1. The sun rises in the **east** and sets in the **west**.
 2. Days are bright and **warmer**.
 3. Nights are cooler and **darker**.
 4. The moon gives us **light** at night.
 5. The moon is much **smaller** than the Sun.

Section II : Summative Assessment

C. Write true or false :

- Ans. 1. The sun rises in the west.
 2. The Sun is a very big ball of hot gases.
 3. The moon is much bigger than the sun.
 4. The earth revolves around the sun.

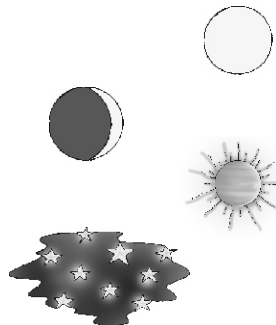

F
T
F
T

D. Match the following :

Ans. Column '1'

Column '2'

- | | | |
|--------------|---|-------|
| 1. Star | — | (i) |
| 2. Sun | — | (ii) |
| 3. Moon | — | (iii) |
| 4. Half Moon | — | (iv) |

E. Answer the following questions :

- Ans. 1. Days and nights are caused due to the rotation of the earth on its own axis.

2. The sun is a star. It is the nearest star to the earth. It is much bigger than the earth. It is a very big ball of hot gases. The sun does not move at all. It is fixed at one place. The earth revolves around the sun. It is the only natural source of heat and light. Life on the earth is not possible without the sun.

11

Unit – VIII Our Climate

Weather and Seasons

Multiple Choice Questions (MCQs) (Based on CCE)

Tick (✓) the correct answer :

Ans. 1. (a) 2. (c) 3. (b)

Section I : Formative Assessment (Based on CCE)

A. Oral Questions :

- Ans.** 1. During winter season weather is remains cold. Sometimes very cold winds blow and it rains.
2. We use cotton clothes in summer season.
3. The weather is dry during autumn season. There is dullness and dryness everywhere in the surroundings.

B. Fill in the blanks :

- Ans.** 1. We like to have cold drinks and **ice-creams** during the summer season.
2. We use **raincoats** and **umbrella** a rainy day.
3. We wear dark **coloured** and **woollen** cloth on a cold day.
4. We like to have hot drink **such as tea** and coffee on a cold day.
5. We like to sit near a **cooler or a fan** on a hot and sunny day.

C. Unscramble the following :

- Ans.** 1. UMBRELLA 2. RAINFALL
3. WINTER 4. GUMBOOTS.

Section II : Summative Assessment (Based on CCE)

D. Write true or false :

- Ans.** 1. We like to take hot tea and coffee in summer season. **F**
2. The summer season stays from mid of April to June. **T**
3. Summer season is also called monsoon. **F**
4. It rains a lot when the sun shines brightly. **F**
5. A windy day is usually cool. **T**

E. Match the following :

- | Ans. | Column '1' | Column '2' |
|-------------|-------------------|-------------------|
| 1. | June | (i) Hot and sunny |
| 2. | January | (ii) Winter |

- | | |
|-----------------|---------------------|
| 3. August | (iii) Rainy |
| 4. Rainy season | (iv) Monsoon season |
| 5. April | (v) Spring |

F. Answer the following questions :

- Ans.**
1. We like to have cold drinks and ice-creams on a hot day. We also like to wear light coloured cotton clothes to stay cool.
